

Ultra Fold Neopor Roof Insulation

Ultra Fold Neopor is fan fold insulation board that comes with a 2 sided, high barrier facer that protects against many types of chemicals. This closed cell EPS board is ideal in re-cover applications or new construction. It is well-suited for single-ply roof applications that employ mechanically fastened or ballasted TPO, PVC, EPDM and CSPE membranes. Ultra Fold is a tough product that holds its R-value and is resistant to bacteria, fungus, rot, mold and mildew.

Ultra Fold offers a stable R-value, dimensional stability, excellent water resistance and compressive strength properties. Facers can be clear or reflective.

- **2 Square bundles (1/4", 3/8" and 1/2")**
- **Rapid Installation**
- **Great for retro-fit applications**
- **No off-gassing**
- **Light-weight, high strength**

**Higher R-Value
Ultra Tough**

Ultra Fold Neopor EPS Properties

Thickness	R-Value @ 23° F	R-Value @ 75° F	PSI CR @ 10%
3"	15.03	13.44	13.0
2"	10.02	8.96	13.0
1.5"	7.52	6.72	13.0
1"	5.01	4.48	13.0
.75"	3.78	3.36	13.0
.5"	2.51	2.24	13.0
